

A
SUPPLEMENT TO THE CATALOGUE
OF TRINITY COLLEGE

For The Year
1918-1919

Being Resolutions passed by the Trustees June 20, and
21, 1919.

Whereas: The "Americanization" of our foreign population is a recognized necessity as well as a national policy, and

Whereas: A substantial contribution to this end must result from the associations in College,

Therefore Be It Resolved: That residence in the College dormitories during their freshmen and sophomore years be required of all students of alien birth, and of all students whose fathers are of alien birth—such regulation to apply to students entering in September 1919 and thereafter.
